PRESIDENT'S REPORT TO THE MEMBERS OF KEON PARK C.C.

Fellow Members,

It is with pleasure that I present this report to the 1981 Annual Meeting. Once again the club enjoyed a successful season on the field with three of four senior teams, under 16's and under 14's all participating in the finals with the under 16 team achieving the ultimate success by taking Premier position.

Our Club Coach, Kevin Dillon, and his assistant, Ray Shaw are to be congratulated on these achievements together with the Captains' and all players of the particular sides. Whilst mentioning our coach it is unfortunate that Kevin has decided not to continue coaching this season, but he will continue to play and assist wherever possible. The Committee therefore appointed Ross McKenzie, who is well-known for his achievements at both Northcote and Preston C.C., as coach and I am sure Ross will prove a most successful Coach and Player with our Club.

There were many fine individual performances during the year, but Greg Smith, finishing so closely to the winner of the Jika Jika "Player of the Year" medallion is worthy of note.

Administratively your club was well managed by the Committee and remains financially strong. Improvements in member facilities and amenities' were made and this policy will undoubtedly continue.

It is 'pleasing' to note strong Junior Member growth as evidenced by creation of a second under 14 team during the season and this speaks well for the Club's future.

In closing I wish to record my thanks to the many helpers throughout the year including the Committee Staff, the Social Committee, Club Coaches and Junior Team Managers and wish each member success for the coming season.

Ken Seymour

KEON PARK CRICKET CLUB ANNUAL REPORT

SECRETARY'S REPORT

I would like to take this opportunity in thanking my fellow office bearers and committee members for their efforts for season 1980/81. I would like to congratulate the U16 Premiership side and commiserate with the 3rd XI and U14 XI for being Runners-Up for season 1980/81. My congratulations to all trophy winners.

My thanks to Club Coach Kevin Dillon, and his Assistant Ray Shaw, for their services for season 1980/81. Coach Kevin Dillon has resigned for season 1981/82 and his efforts over the past four seasons will be missed however, he is remaining at the club as a player.

The new Club Coach for season 1981/82 is Ross MacKenzie. He comes to the club well credentialed having played District cricket with Northcote and Captain Coached Preston in Sub-District cricket. I wish him every success this coming season and anticipate all players and members of the club giving him all your support.

In closing, I wish the incoming committee as well as the players all the best for the coming season.

DENIS MILLS
SECRETARY

SEASON 1980 / 81 - COACH'S REPORT

Season 1980/81 at Keon Park - to many people was unsuccessful. I do not subscribe to that theory, as I believe the club's performances over the season were very good.

I do not believe that the club revolves around the results of the First X1, and that the performances over the whole club were meritorious, as the Annual Report will show.

The First X1 finished the season by losing the semi final to the eventual premiers. We played below our best in that game and were not good enough to win. After losing seven players from last year's premiership team, I believe it was a great effort to finish in the finals.

The Second X1 were also beaten in the semi and therefore showed that they were a very good team, considering they had been promoted to 'B' grade. The team played twenty-three players over the season and, although this in itself was good for the younger players, the composition of the side was never settled.

The Third X1 were beaten in the Grand Final, after displaying an enourmous amount of guts and determination when it seemed they would be outplayed - a very excellent effort. This X1 used twenty-six players during the season, once again emphasising the opportunities given to younger players.

The Fourth X1 were unfortunately undermanned for the entire season, and in most instances were made up of boys who had played in the morning with the juniors. In my opinion, we need to look closely at this X1, as it is unfair to a couple of chaps who work hard around the club to be subjected to running around each week getting enough players to fill the team.

The Juniors, which have an excellent number of prospective senior players in their ranks, performed admirably, with the Under 16's being premiers and the Under 14 A's being beaten, because of poor local rules, in the Grand Final. Many of these boys will become great Keon Park cricketers in the future.

In conclusion, I would like to take this opportunity to personally thank all the players, committee and supporters for their assistance over the past four years. I believe we need younger people in the top X1, and in Keon Park I believe we have the quantity and the quality.

I would like to congratulate Ross McKenzie upon being elected Captain/Coach of such a great club as Keon Park, and promise him my support, and in saying so I believe I speak for all cricket minded people at Keon Park.
